Human and Profoundly Moving—

Mary Pickford's art and brilliance, her superb talent, her exquisite beauty, all extraordinarily blended into the most human and profoundly moving story of her wonderful career—

MARY PICKFORD

LITTLE LORD FAUNTLEROY

From the Novel by Frances Hodgson Burnett

Here for the delight of even more millions than the enraptured multitudes who read "Little Lord Fauntleroy" as a book and saw it as a play, is an elaborate super-picture produced with the lavishness, tastefulness and exceptional skill to be expected of the film Mary Pickford herself has always wanted to make, heart and soul.
